### Profile

Summer Stillson

Summer's career with the NW Girls Golf Program has seen a lot of firsts! Its only fitting she's the first 4-time all-NLC performer and first IHSGCA winner of three major awards (IHSGCA All-State, Academic All-State, Courage Award) in the same season in state history. She is the first NorthWood golfer (boys or girls) to earn both of the All-State awards in the same season. In addition to those accolades, Summer did all this while being an outstanding performer in academics and in student leadership. We will miss her scores but miss the person more.

**2017 Season Outlook:**

-We are a young team. We only have 2 seniors and 5 juniors. As with any young team, the expectations are high because you can see the great potential they have. On the field is where we will see if these young girls can step up and meet expectations. Our experienced girls are solid players and will need to step up to lead these young girls.

**About Me:**

I have no previous experience coaching high school; this is my first year. I have 15 years of experience with coaching travel teams both softball and baseball at many levels. I am a certified high school official and have been an umpire for high school baseball and softball for about 10 years. I have been assigned and umpired 2 Little League World Series tournaments, one with Junior Softball, (14u), and one with Junior Baseball, (14u). I was awarded the plate assignment for the championship game for the Junior Softball WS, which was the ESPN TV game. For the last several years, I have been involved with the Northridge softball program in more of a mentor roll on game day. This mentor roll has evolved from a sideline role to a front line role; working the team every day, not just game day.

**The Coaching Team:**

On our coaching team, we have brought together four additional coaches; Haley Nixon, Andy Robinson, Samantha Baker and Aimee Gingerich. Haley Nixon is a veteran of the Northridge Softball program, who graduated 2014 after leading Northridge to multiple conference, sectional and regional titles as a pitcher. Andy Robinson brings continuity to the program as a long standing veteran coach with the Northridge Softball program. Aimee Gingerich is new to coaching the softball program, but has shown herself to be an excellent coach while working with girls basketball and cross country. Samantha Baker is a veteran to the Northridge Softball program as a player but is new as a coach. She brings her specialty knowledge as a fitness trainer; helping with strength and conditioning, a welcomed addition to a softball program.
