Trinity 3 ECA 0 Girls Soccer

The ECA Varsity Girls showed a lot of heart today as they played with only 10 players with their leading scorer missing the game due to a concussion and a key defensive player out with an ankle sprain.

Keeper, Peyton Badskey played an aggressive game and stopped many opportunities before they could develop. She also had 18 saves to her name.

Defensive players Precious Swen, Abbie Suiter and Odessa Hanlon played brilliantly catching Trinity offsides a dozen times.

Despite their great effort the Eagles could not keep up with the numbers Trinity was able to put on the field and surrendered 3 goals without netting any of their own
